The Rollins Communion Roll and Register

DIRECTIONS

A ✓ placed in the check column when a name is removed will show at a glance how many names on each page are still in connection with the Church.

Enter the Names Alphabetically and place the Number opposite the Name on the Communion Card bearing the same Name. Where two letters of the Alphabet appear on the same page of the index in the smaller books, it is advisable to enter the Names beginning with the one letter from the top of the page and the Names beginning with the other letter from the bottom of the page, leaving all unused lines at the centre for future use. When the Cards are returned arrange them in groups alphabetically and then arrange each group in rotation according to the numbers on the Cards. Mark the attendance from the numbers.

Entered according to Act of Parliament of Canada, in the year Nineteen Hundred and Nine, by
Rev. James Rollins, B.A., in the office of the Minister of Agriculture
